My Dear Ramanathan,

Mr. C. Rama Rao, Agent of the Sringeri Mutt, reported to me on the 7th instant that His Holiness Sri Chandrasekhara Bharathi Swamigalu is slightly indisposed from the 5th instant having got an attack of his old mental disturbance in a mild form. When I was at Shimoga, I heard from other sources that the attack was of a serious nature and that the Swamigalu was very violent and unruly. I met Mr. Abdul Hukh, Deputy Commissioner, Kadur District, at Kadur on my way to Bangalore last Monday afternoon. He told me that on receipt of the Agent's report, he had requested the District Medical Officer to visit Sringeri and give necessary advice and treatment to the Swamigalu and that he would let me have a report as to the actual condition of the Swamigalu as soon as the District Medical Officer returned from Sringeri. I had a telegram from Mr. Abdul Hukh yesterday that the District Medical Officer had not yet returned and that he (the Deputy Commissioner) was proceeding to Sringeri to find out the actual state of affairs. I expect to have a detailed report in the course of two or three days, which I will submit to Government on receipt.

2. I enclose herein, for the information of Government, a report received from Mr. Abdul Hukh, regarding the work of Mr. C.Rama Rao. A perusal of Mr. Rama Rao's reports enclosed therewith - I invite particular attention to the portions marked - makes one seriously suspect whether Mr. Rama Rao's mental condition can be considered to be normal. He is a very weak man, and the circumstances brought to light in the Deputy Commissioner's report raise serious doubts if he is straightforward. You will see further from Mr. Madhava Rao's D.O. No. H.C. 13/34-35 dated 25-8-1934 to the Financial Secretary and its enclosure, that the original understanding was that Mr. Rama Rao should confine himself to the management of the secular affairs of the Mutt. But he seems to have overstepped these limits, and become all in all in the Mutt. I think the continuance of Mr. Rama Rao in his present position is fraught with serious danger, because he is a local man with

P.T.

with strong local interests.

3. Having regard to the present condition of the I think it is desirable that Government should take over the (1) of the Jaghir under Section 25, Clause 3 of the Mysore Religious Charitable Endowments Regulation. It is not known when the Swamig will be restored to perfect health. Previous attacks have lasted understand, from six to eight months. Mr. Srikanta Sastry is not directly in touch with the management of the Jaghir at present, and unless Government interfere, I am afraid there may be no certainty that the interests of the Mutt will be carefully and properly safegu ed.

4. A trusted Officer, with experience and judgment, of the rank and status of an Assistant Commissioner may be posted to the char (2) of the Jaghir to work under the general supervision of the Deputy - Commissioner, and I suggest the names of the marginally noted Officers for consideration in this connection. The selected Officer may be given his grade pay plus a local allowance of Rs 100/- per mensem. Considering the arduous and difficult nature of the duties attached to this Office, the allowance proposed is not too much. For the internal management of the Mutt and religious matters, (3) a separate Sarvadhikari may have to be appointed.

1. Mr. B. Muddukrishnappa
2. Mr. B. Venkatakrishnappa
3. Mr. Y. Srikantiah.

Yours sincerely,

T. Chandrasekharaiah
